

The Fearby Village Green Grass Cutting Group is established to ensure the Village Green is always looking it's best.

The Group consists of Ashley Machin - 07764 625983, Graham Wilson – 07850 779292 and Jill Best - 07756849454.

The grass-cutting is a community project funded purely by donations from residents and others who enjoy our Village Green.
